

operative office desk | **LECO**description:

The Leco Operative Office Desk is part of the Leco collection with a minimal design in a square profile aluminum leg, finished in electrostatic silver paint. Its main feature is an under counter cabling system that runs along the working surface ensuring to keep the lightness of the design without compromising its functionality. This version of the collection is ideal for single and team working stations. It is composed by a main working surface in 25mm melamine wood and an extension with a fixed drawer set that fits under and may create storage space. All parts are modular and may be used in different configurations.

The model is recommended from an extended suite, which includes bookcases, conference tables and coffee tables under the collections of Tipo and Egg.
