

executive office desk | IKAROS

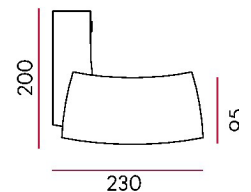

description:

The rather modern and imposing outline of the Ikaros Executive Office is a functional piece with an attitude. Delicate curves that form the rather modern and imposing cut out of this 39mm melamine wood surface, the Ikaros Executive Office is functional piece of furniture with an attitude. The main working area is supported by two wooden legs enhanced by sem-mat aluminium in the front and back side. It is also accompanied by an unconventional shaped extension that follows the same curvy attitude and provides further working area and a set of drawers with a lock. The collection is also available in wood, veneered in different finishes.

The model is recommended from an extended suite, which includes bookcases, conference tables and coffee tables under the collection of Atlas.
